Dear Dr. Lindsay Bira,

The FIRST THING you MUST KNOW about ME,

I am not one to RUN AWAY from the TRUTH.

If you are one of those Doctors that in fact even if you profess you don't,

YOU *MUST* RUN AWAY
 FROM PERSONS WHO
 DO NOT RUN AWAY
 FROM TRUTH---

I DO NOT ALLOW SUCH IMBALANCED RELATIONS INTO MY LIFE --- BUT I DO GIVE EVERYONE THE BEST OF INTEGRITY --- TRUST IS EARNED NOT CARELESSLY OR FRIGOUSLY GIVEN AWAY.

This is your NPINO Record:

<https://npino.com/psychologist/1831555069-dr.-lindsay-m-bira/>

There is a SECTION on that site that is powered by the @Disqus commenting tool --- TO ENGAGE A PUBLIC DISCUSSION --- and I PRESS FORWARD with such NEED to have a PUBLIC DISCUSSION in these matters -- and I am willing to find my circle of trusts, circle of integrity, circle of health --- even willing to RELOCATE from my current living situation --- to be off cast right into the streets of homeless local to you -- to find and have these interconnections which seem to be UNOBTAINABLE from my current TRAPPED Living Status ---

i have a STORY to disclose --- I have a story to share -- a STORY that is THE TRUTH, the WHOLE TRUTH, and NOTHING but THE TRUTH.

Can you handle the truth?

Once this FAX has been TRANSMITTED -- I will be PROVIDING a LINK to this FAX [.PDF] onto the RECORD of TRUTH attached to your NPI Record -- So a conversation can begin.

You might be surprised -- you might be shocked -- you might recoil into the massive big monster of silence --

I dunno --- but what I do know --- Not a single source of integrity in all of this can be maintained by "so called" professionals.

Why the silence?

Evidence-Based Video Therapy

I offer mental health treatment that has been shown to work well and work quickly. Cognitive-behavioral therapy (CBT) effectively targets many issues and helps to train the brain and body to function better with minimal sessions. I also integrate other approaches (DBT, ACT, and more) to make sure I meet the needs of each unique client.

Video therapy has been shown to be just as effective as office therapy when the right approach is used. It also comes with many benefits like less commute time and convenient scheduling (appointments from your home or lunch break). I do hold office sessions one week per month in San Antonio at my office by [The Pearl](#).

I offer a private, comfortable & safe atmosphere where you can be sure you're getting the best treatment for you. While I specialize in trauma & anxiety, I also treat depression, insomnia, teen issues, tinnitus, sexual difficulties, chronic pain, tic disorders, difficult habits, stress, relationship issues, & more.

Call or email me for a video or office appointment.

WHY?

Life is short. The brain is tricky. Sometimes, the natural way we respond to a problem actually locks it in...and because it may be possible to work around problems, it can be easy to allow them to stay. Why do problems stick around & how much better could life be? It's important to work to take back control to live life feeling balanced, free, aware, and fulfilled.

Words To Live By

Art thou dejected?
Is thy mind o'er-cast?
To chase thy gloom,
Go fix some weighty truth;
Chain down some passion;
do some generous good;
Teach Ignorance to see,
or Grief to smile;
Correct thy friend;
befriend thy greatest foe;
Be just in all things; make amends
For follies past, and, with warm heart,
Forgive, and be forgiven. Let work not words
Thy virtue prove. Go act as well as prate,
And then thy counsels will be strong,
Thy reprimands avail. ANON

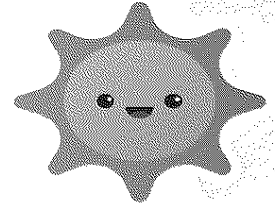

THE province of the historian is to gather the threads of the past ere they elude forever his grasp and weave them into a harmonious web to which the art preservative may give immortality. Therefore he who would rescue from fast gathering oblivion the deeds of a community and send them on to futurity in an imperishable record
