**Subject:** **TedX Graphic - Imagery and Symbolism In Common Linked Hands**

---

Now --- How many hands did your image show? 4 hands ---

TO SIMPLE -- THE REALITY THAT GANG STALKING IS REAL --- IS SELF EVIDENT!

If you are one of those doctors that have not placed into your mind - to be counter-intuitive [ as you might say ] ---

I have a VERY SHORT FRIENDSHIP VIDEO CREATED by This MEDIA Network out of this GRAPHIC ---

12 Linked Hands ---

That should get me a SPECIAL ACCOMODATION of an ACTUAL REALISED CALL BACK to have a REAL HONEST DISCUSSION about the LIFE CIRCUMSTANCES that are SURROUNDING me and many that are AFFECTED as TARGETED INDIVIDUALS of GANG STALKING.

--- Please Doctor -- Do not insult my intelligence and tell me that Gang Stalking is a MASS DELUSION! That will indeed create a WHOLE SKEW upon you --- even from this distance --- PLEASE OPEN your MIND to the needs of a person individually and a nation collectively -- a problem that is expanding OUTWARD GLOBALLY --- you know --- you know -- you know --- WE CANNOT REMAIN IN THIS NOW CROSSING OF PATHS --- SILENT to the TRUTH.

About Doctor Joe Pierre:

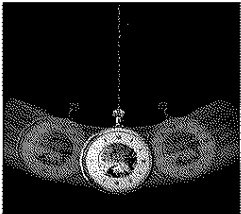

[Joe Pierre M.D. | Psychology Today](#)

Doctor Bira --- Doctor Pierre is just flat out wrong in his science.

## About

Joseph M. Pierre, M.D. is a Health Sciences Clinical Professor in the Department of Psychiatry and Biobehavioral Sciences, David Geffen School of Medicine at UCLA and the Acting Chief of Mental Health Community Care Systems at the VA Greater Los Angeles Healthcare System. His work focuses on the treatment of individuals with severe mental disorders, including schizophrenia, bipolar disorder, major depression, and co-occurring substance use disorders. Although his clinical practice centers on the care of hospitalized patients who suffer from psychotic disorders, he has a longstanding interest in the grey area between psychopathology and normality and the psychological underpinnings of everyday life. *Psych Unseen* draws from the perspectives of psychiatry, neuroscience, psychology, and evidence-based medicine to address timely topics related to mental illness, human behavior, and how we come to hold popular and not-so-popular beliefs.

at the VERY TOP of this PAGE ---

Doctor Lindsay Bira -- Would you please Link to this and proceed to understand the QUICK Knowledge Survey....

---  
[ Quick Knowledge Survey : Have you heard the term 'Gang Stalking']

---  
<http://knock-knock-angels.carrd.co/>

God, hear my prayers.

God, hear my mother's emotional distress  
and torments of sufferings - she and I  
step from human sources of integrity - find us a  
place where the words contained and  
forward from within are given the truth and light  
of your most best way we are to hold  
her up in joyful suspended love. - let us fill the  
void with your wisdom and guidance  
new bonds of Faith trust - please take away the  
powers of devilish deeded hate that remain  
the obstacle of silenced murdering glory of the  
useful privileged few - including the mismanaging  
community manifests the named within  
following - they know what is in their hearts and  
out of truth.

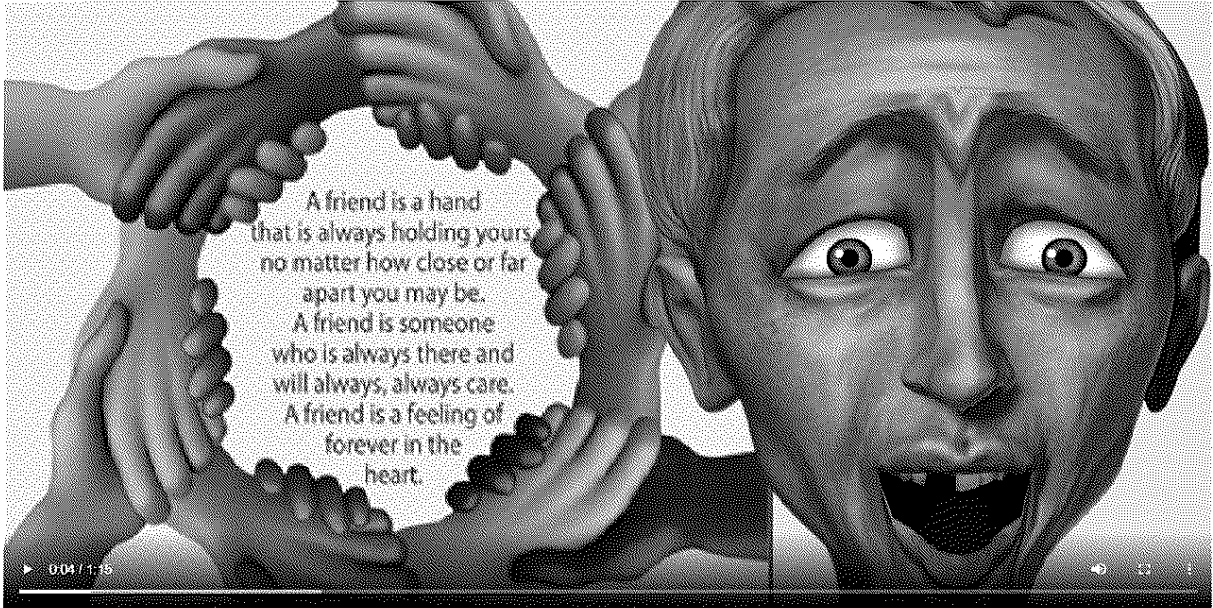

God

## Our Mission

Our logo is an interpretation of the West African wisdom symbol Mpatapo which is the knot of purification and reconciliation. It is a symbol of peacemaking after strife. It represents the bond or knot that binds parties in a dispute to a peaceful, harmonious resolution.

Our aim at Resolve Family Law is to help resolve your legal issues peacefully and come to balanced, fair solutions that are in the best interests of you and your family. Separation is traumatic and the reasons to separate are often beyond your control. Resolve Family Law will help you regain that control by giving you the power to make informed decisions about how you and your family will go through the process and move on to the future.

We want to help you lay a solid foundation for you and your family's future. This includes coming to agreements that are in the best interests of the children, securing fair property settlements, ensuring financial stability for you and your family, and building relationships with your former spouse based on mutual respect and cooperation.

**STOP  
GANG  
STALKING**

When your practice has led you to experiences that you can't understand, you need a better theory. Otherwise, if you try to understand these transcendent experiences with 'profane' or, we might say, 'materialistic' ways of thinking, your cultivation will be set back.
